Mission Statement

Wild West Lighting wants to be your number one source for sub rented and Purchased theatrical lighting equipment. We strive to provide our clients with the quickest, most efficient and cost effective service possible. We only stock the highest quality and most reliable equipment from the theatrical lighting industries top manufactures. Each piece of our rental inventory is rigorously tested every time it enters or leaves our warehouse to ensure that it will not go down or be a hazard on your event. We have a well trained, full time staff that is dedicated to making sure our shop is ready for any and all rental calls we may get at any time. If you aren't already a regular client of ours let us know what we need to do to be your source for extra theatrical lighting equipment.
